

REMARKS

In reviewing the claims after allowance, it was noted that "the" should be changed to "a" in several instances in claims 8, 9, 10, 12 and 15 to provide antecedents, and in some cases the term "data" should be inserted.

This requires only cursory review and does not require further examination, and therefore entry of the amendment is respectfully requested. A payment of the issue fee accompanies this amendment.

Respectfully submitted,
